

Students attending school in-person, here are some options for accessing library materials:

- Continue to place books on hold and pick-up via [Curbside Check-Out](#) on Wednesdays.
- Place a book on hold (using [Curbside](#) directions) and follow-up with an email to [Ms. Bacon](#) (bacone@issaquah.wednet.edu) indicating you are attending school in-person and we'll arrange the book pick-up in one of your classrooms.
- Begin an email conversation with [Ms. Bacon](#) and we'll make the check-out work with your schedule.
- We can also accommodate students for book-browsing/book check-out on an individual basis in the library. Please email [Ms. Bacon](#) and we'll find a time that works for you.
