

## **1) Getting (re)Acquainted with the Dewey Decimal System**

[A very general list of the subject classifications](#)

[A very detailed list](#)

[A general AND detailed list](#) (*unfortunately with distracting color choices: good info, poor graphics*)

## **2) Looking at the library collections at the University of Washington via [WorldCat](#)**

*(also found here: SHS Library Page > Resources by Subject > Social Studies > WorldCat)*
