

NoodleTools

(the new EasyBib)

1) **Use this link for the initial registration**, it's our district's access point.

<https://my.noodletools.com/logon/signin?group=23750&code=4744>

2) Then **complete the registration** and see what it can do for you...

3) **Refer to this Quick Guide for Students:**

<https://noodletools.freshdesk.com/support/solutions/articles/6000053400-noodletools-quick-guide-for-students>

...how to create a PROJECT, add SOURCES/CITATIONS, how to EVALUATE SOURCES, add NOTECARDS, etc.

4) If by chance you get to this login screen as opposed to our district specific one, use the login information on the main passwords page.
