

## **IB World Religions IA**

*You've used the library resources, now it's your turn to do some work for the library...*

Do some investigating and **find a book source that would support your World Religions IA.**

[Amazon](#) is a great place – but try also publishers like [Oxford University Press](#) (type in a topic at the top, or explore topics on the left) or [Yale University Press](#) (search at the top or explore on the right).

Please be thoughtful; don't just choose the first thing on the list because it's easy and quick. Take a look at the subject AND contents of the source:

- Choose the “Look Inside” on an Amazon book and check out the Table of Contents or Index or search specific terms.
- Or find the “View Details” “Description” “View Inside” “Table of Contents” etc. on other sites.

*Note* – this isn't just a suggestion, it is something you need to do; it should give you a chance to assess what you already have for this assignment and what you may still need.
