

Short-film Appreciation

1) Watch short films on one of these sites*:

[FILMS Short](#) (choose counties at top of page)

[Vimeo – Short Films Group](#)

2) Complete the card you received.

3) Turn in card when you are done – **be thorough and thoughtful**. And then get another if you have more time...

**at first look, most films are good and appropriate, but just be a cautious viewer – if you do not like or take offense to a film, move on to another one*
