

January Film Requirement:

Before we watch your film on exam day, I want you to remind the audience of your director. To do this, your group will create a **SINGLE** informational slide. The slide will contain this information:

1. Director's name
2. One “must see” film (or two max, if you cannot agree)
3. One interesting fact about the filmmaker related to film or their career.
4. Three (3) to five (5) specific aspects of their film style
 - list or describe as needed
 - these are aspects that you probably incorporated in your film...

Due: January 18, end of class (email slide or link to Ms. Bacon before 2pm, 1/18)
