

USING THE LIBRARY

LIBRARIAN

- **Resource lists** -- webpages, specific articles/documents, image collection, primary sources
 - For student/class use or as a teacher resource
- **Lesson planning** -- create, collaborate, troubleshoot (like AI but a person)
- **Finding specific sources**
- **Source citations** (*"I've used this article for years, but can't find the source"*)
- Teaching **MLA/APA citation** how-to
- **Working with individual students**
 - When class is in the library or pre-arranging for me to work with a student

LIBRARY (library can accommodate two classes per period)

- **Resources**
 - Physical (*fiction and non-fiction/research*)
 - Online
 - Purchasing
 - **The space** (*for use with/without necessitating library resources*)
 - For instruction (me/you)
 - For group work/Socratic seminars
 - For a research or writing mindset
- *new location = new attitude*

Note: Aside from lunch, when the library is a silent space, the volume in the library is determined by the teacher/s in here.
